## **Beat the Crowds at Your Horse Live**

With more than 300 exhibitors, Your Horse Live is the event not to be missed!

To get the best out of your day at Your Horse Live, here are some tips and advice on how to make it a day to remember.

Held on November 13 and 14 at Stoneleigh Park, Warwickshire, the event is the place to shop. Remember to book in advance to guarantee a ticket and receive great savings.

Before the day it is worth spending time planning your visit to ensure you make the most of the event. The Your Horse Live website [www.yourhorselive.co.uk](http://www.yourhorselive.co.uk) is packed with the latest information, news and ticket offers.

Make the most of the day by arriving early. Our advice is to have a floor map so you know exactly where all your favourite stands are.

Have a look around the stands first thing before it gets too busy. Then you can really plan exactly what you want to buy and take home.

The show is a great place for Christmas shopping, so bring a list of people to buy for so you don't leave anyone out.

Stay stylish this autumn, and get the latest fashion items for the season. Whether it is a new quilted jacket for the winter or some patterned wellington boots, you're sure to find them at Your Horse Live.

Keep your horse warm this winter with a cosy new stable or turnout rug; look out for removable neck covers and time saving fastenings.

Need feed advice, horse feed manufacturers will be happy to help with nutritionists on hand to discuss your horse or pony's requirements.

Look out for new products that are set to revolutionise the horse world.

Your Horse Live may boast extensive shopping, but that is only the start, each day is packed full of celebrity riders and demonstrations.
