Laura Bechtolsheimer Set For Your Horse Live

THE golden girl of British Dressage, Laura Bechtolsheimer, currently holding number one in the rankings, is set to wow visitors to this year's Your Horse Live.

Held at Stoneleigh Park, Warwickshire, on November 12 and 13, Your Horse Live promises to be a great two days this autumn.

Get the chance to meet, one of the top dressage riders in the world, as Laura gives a number of demonstrations throughout the weekend and pick up some top training philosophies and tips for success.

Twenty-six-year-old Laura has consistently broken records and regularly achieved the highest marks ever seen from a British rider. With her charismatic chestnut, Mistral Hojris, she looks, all being well, a near certainty for the British Olympic team in 2012, and her chances of a medal shouldn't be underestimated.

Based in Gloucestershire, Laura started riding aged three, and initially found success in eventing, before her love of dressage took over. She is trained by her father Wilfried Bechtolsheimer, and as well as her top horses, Mistral Hojris (Alf) and Andretti H (Andy), has a string of exciting youngsters that she is bringing on for the future.

Laura has been a regular on British teams from her teens, bringing home team silver at the Pony Europeans Championships, a team bronze at the Young Rider Europeans, and successfully representing Britain at senior level in recent years.

Said Laura: "I am delighted to be part of Your Horse Live this year. It's always a very exciting two days jammed packed full of fun and shopping, and I am looking forward to meeting visitors and passing on my skills and knowledge in the world of dressage."

Don't miss this unique opportunity to learn from one of the best dressage riders in the country!
